Disabled Waterfowl Hunt at W. Kerr Scott Lake

The U.S. Army Corps of Engineers in partnership with Friends of W. Kerr Scott Lake are announcing the Disabled Waterfowl Hunting Lottery. The Marley's Ford Waterfowl Impoundment was completed in June of 2009 and will be open for disabled hunting this 2010-2011 season.

A hunting blind was created by Friends of W. Kerr Scott Lake to provide this opportunity to disabled hunters. In order to qualify for a disabled hunt permit, you must possess one of the following: A Disabled Veteran or Totally Disabled License or a Disabled Sportsman Hunt Certification as issued by your wildlife resource agency. The Disabled Sportsman Hunt Certification is not a license; therefore, a valid North Carolina State hunting license and Federal Duck Stamp, in addition to the hunt permit, is required when participating in permit hunt opportunities.

A host hunter provided by Friends of W. Kerr Scott Lake will escort you while hunting at the impoundment. Previous hunting experience is unnecessary and equipment can be provided. A maximum number of one disabled hunter will be selected on each day of the hunt. The hunter is allowed to bring one guest to the hunt. If the hunter does not bring a guest then another hunter with disabilities, in place of the guest, may be selected through the application process to hunt that same day. Saturday is the only hunting day available at Marley's Ford Waterfowl Impoundment.

To enter the lottery mail or deliver the attached application to W. Kerr Scott Reservoir 499 Reservoir Rd. Wilkesboro, NC 28697. Applications must be received by October 13, 2010. The drawings will be held on October 14, 2010. If the lottery determines that you are a selected hunter you will be notified by phone call on or before October 16, 2010.

Name: _____ ☐ I will have a guest

Phone #: _____

Address: _____

Possible hunting days for the 2010-2011 seasons are Saturdays from November 13th thru December 4th and Saturdays from December 18th thru January 29th. I understand that this lottery selection is not negotiable. Entering the lottery does not guarantee you a permit to hunt on the Marley's Ford Waterfowl Impoundment only a chance to be selected for the opportunity. In order to qualify for a disabled hunt permit, you must possess one of the following: A Disabled Veteran or Totally Disabled License or a Disabled Sportsman Hunt Certification. The Disabled Sportsman Hunt Certification is not a license; therefore, a valid North Carolina State hunting license and Federal Duck Stamp, in addition to the hunt permit, is required when participating in permit hunt opportunities. A host hunter provided by Friends of W. Kerr Scott Lake will escort selected hunters at the impoundment. The lottery drawings are conducted by Friends of W. Kerr Scott Lake. All applications must be entered for the drawing by October 13th at 4:00 pm. If the lottery determines that you are a selected hunter you will be called by October 16th. This permit further does not exempt myself, or any member of my party, from any Federal or North Carolina state game laws. I agree to fully abide by Corps, Federal, and State regulations while hunting. I will make every effort to be sure that the general public is kept safe and that a conscientious image is portrayed. This requires judicious use of firearms, decoys, paths of ingress and egress, along with game care after the hunt.
